

2021 Chippin' In Golf Tournament

In support of the **ATL FOUNDATION**
www.atlfoundation.org

Monday, June 28th, 2021
7:30 Shotgun Start
Hiwan Golf Club

The ATL Foundation provides assistance to Colorado lesbians in need of financial help as the result of ill health. The ATL Foundation was established as a 501(c)3 non-profit corporation in 1994 by a group of friends who wished to support a member of their informal bicycling group who was diagnosed with lung cancer. The name All Terrain Lesbians Foundation is fitting since any of us can find ourselves on uneven ground with difficult life challenges.

Hiwan Golf Club is a private golf and country club in Evergreen, Colorado. Hiwan's championship golf course is built on mountain terrain. The fairways are lined with Douglas firs and Ponderosa pines with scenic views on nearly every hole. The large practice facility with a driving range, chipping green and spacious putting green provides golfers with the opportunity to warm up before playing this challenging course. Hiwan has hosted numerous national events.

Select your sponsorship level!
