▶ The ATL Foundation provides financial assistance to lesbians in need as a result of ill health.

The Beginning...

The ATL Foundation was established by a group of friends who wished to support a member of their informal bicycling group who was diagnosed with lung cancer. The foundation continues in loving memory of **Linda D'Orio.**

The name **A**ll **T**errain **L**esbians **Foundation** is fitting since any of us can find ourselves on uneven ground when unexpected illness or unanticipated circumstances hand us difficult life challenges.

Making requests…

Anyone may make requests for assistance by contacting a member of the board of directors, or by reaching us through our website at:

www.ATLFoundation.org

The application and instructions for assistance are posted there. If you are unable to obtain this form, we will be happy to mail or fax you a copy.

Where do the funds go?

The ATL Foundation helps women facing difficult situations. Here are a few examples:

- Purchased special eyeglasses for "Sandy" whose disability is likely to lead to blindness.
- Helped "Anna," who was paralyzed in a car accident, regain some independence by paying for hand controls for her vehicle.
- Purchased a prosthetic leg for "Meg" with a rare form of bone cancer.
- Helped "Susan" who had ovarian cancer, stay in her home by helping her with her tax and insurance payments.
- Assisted "Cindy" with living expenses to keep her in her own home while she battled breast cancer.
- Contributed to the purchase of groceries and items for daily living for "Linda" who lives with debilitating lupus.
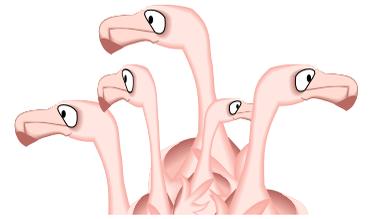

Friends of the Flock...

The ATL Foundation's sustained giving program, *Friends of the Flock*, is completely separate from the other fundraising events. *Friends of the Flock* creates a steady stream of donations allowing the Foundation to do what it does best.

Because the ATL Foundation is an all volunteer organization, more of your donations go directly to assistance grants for women.

The ATL Foundation has already helped a number of women in our community. It is only with the support of individuals and businesses like yours that these efforts are possible. We hope you will be able to join us in supporting women whose lives have taken an unexpected path.

From everyone involved in the ATL Foundation, we *THANK YOU* for your support.
